## STUDYING THROUGH BIBA

---

Both of our Hairdressing Academies foster a self-paced approach to learning the trade of Hairdressing and Barbering, by offering salon-simulated opportunities, where our students are expertly guided through the theoretical and practical aspects of hair styling. Unlike other Hairdressing Academies in Melbourne, BIBA provides a hands-on and practical experience throughout the entire course, whereby students work on mannequins for only 20% of the time. The rest of their training is based on using real people who continually return as actual customers, in our Fitzroy and Swanston Street Salons, because they know that our students have the most highly-supervised situation, and yet a relaxed atmosphere, where it's both a fun and professional experience – with personal pampering at the very core of what we do. And our clients just love coming back time and time again. Whilst our Academy clients are treated to less expensive hair services than going to a 'real' salon, the results are none-the-less delivered with a highly professional finish.

## WELCOME - OUR FIRST DAY

---

Firstly, thank you for choosing BIBA Academy for your training facility. We want to make your first day as easy and exciting as possible. If you need to park your car there is all day parking available in Gore Street, right next to the Academy plus 4-hour parking areas where you can move your car during lunch hour. But please be mindful that parking is limited in the Fitzroy area.

BIBA Academy **opens its doors at 9.15am** and closes approximately at 6.00pm every day.

**On your first day we ask you to arrive at 9.30m** and go straight to the front desk, we will be there to start your day. First up is a quick tour of the BIBA Academy and a chance to sign in. You may put your gear away and have a coffee before the morning meeting which is held every morning for all students at 9:45am. After the morning meeting we will schedule you into a class. Patience, application and an open mind is the key to success. Just a word of warning if you arrive after 9:45am you will be considered late and will need to report to the office.

There are three breaks each day, 10 minutes in the morning and afternoon and a 45-minute lunch break. Lunch can be purchased from a number of cafés/restaurants in Smith Street or Brunswick Street. Your afternoon will consist of more classes and demonstrations. When your day is over we have a quick pack up time and you can sign out and make your way home. Should you have any queries at any stage throughout your day, please do not hesitate to speak to any of the staff; we are here to help.

## OUR OBLIGATION AS YOUR RTO

As the RTO we have the responsibility to issue your AQF certification documents in line with our issuance policy as outlined in this Welcome Folder.

If at any time you feel we have not met our obligations as an RTO, you have the right to make a complaint following our Complaints and Appeals Policy outlined further on in this Welcome Folder.

Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means (unless you have an exemption issued by the USI registrar) that as a student you must either:

Provide us with your USI, or

Provide us with permission to access or create your USI on your behalf.

For information about exemptions for individuals please review this webpage: <https://www.usi.gov.au/training-organisations/training-organisation-requirements/exemptions-individuals/how-apply>

If you are providing us with permission to access or create your USI we will need a valid form of identification. The ID that you provide for this purpose will be destroyed once we have used it for this purpose.

## **COURSE EXPECTATIONS AND REQUIREMENTS**

The training and assessment offered by Biba Academy focuses on providing you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency-based training and assessment. Each of the components of your course is a "unit of competency". You may either be studying one or a few units of competency or a set of units that make up a total qualification. Each unit of competency is linked to specific skills and knowledge required in the workplace.

Many of our courses are delivered in clusters. This means groups of similar units have been packaged together and to avoid repetition. You will receive training and assessment for all units in a cluster at the same time.

Our course outlines include the details of how we deliver the training to you as well as the assessment methods that will be used to assess whether you have reached the required standard of performance. Generally, our courses may involve classes, workplace component, homework and online learning.

Assessment methods vary from course to course but usually include written questions, projects, written assignments, and practical observations.

## **CERTIFICATE III IN HAIRDRESSING (SHB30416)**

## **CERTIFICATE III IN BARBERING (SHB30516)**

---

BIBA Academy offers four nationally recognised qualifications students.

Features include:

- Set group sizes (maximum 20 students per group)
- One teacher per group
- Nationally Recognised Training

The standards, as per BIBA Academy, include;

- Activity watching/talking and interacting
- Taking direction from instructors and demonstrators
- Observation of standard work procedure
- Observing company work standards

BIBA Academy's training is competency based. It is vitally important that each area of the course be thoroughly understood and passed through practical demonstration and oral questioning.

Delivery is through a variety of means, which will collectively suit and satisfy:

- Oral demonstration/ lecturing techniques
- Visual portrayal of techniques and concepts through video or live demonstration by guest artists and instructors
- Hands on practice of techniques and concepts on model/mannequin.

Learning resources and facilities are available to you at all times. These include videos, books, magazines and instructors. BIBA Academy operates in a salon environment. We believe this emulates the workplace and creates an open learning environment and forms strong work ethics. These ethics furthermore replace bad habits and relate theory classes to a real-life situation.

BIBA Academy understands the importance of treating you as an individual. By doing so, we can eradicate the pressure of learning through inferior methods and allow you to learn at your own pace. We also recognise that you may experience some personal difficulty on varying levels, which may include:

- Learning/ Physical disability
- Time management problems

Every consideration is given to you if you are experiencing any difficulty. We address each problem individually and attempt to assist as best we can. BIBA Academy is completely non-discriminatory and will endeavour to cater to your specific needs.

Assessment at the BIBA Academy is carried out by a variety of means.

- Practically
- Orally
- Written form

Before deciding how the assessment will be conducted BIBA Academy must first decide what level must be achieved by the assessment and how this will be achieved i.e. by visually and/or orally demonstrating competency.

Most Assessments are carried out in the Academy on a model/mannequin; others are in written and oral format.

Certificate III's will be conducted on location at BIBA Academy. After successful completion BIBA Academy will issue you the relevant Certificate within 2 weeks of completion.

## ASSESSMENTS

With all assessments conducted throughout your course of training, BIBA Academy will endeavour to make it as fair as possible. At any time if you feel that your assessment is not accurate for any reason please do not hesitate to bring this to our attention and we will re-evaluate the situation and decide the appropriate course of action. Please ensure you are aware of the BIBA Academy appeals process located in the BIBA Academy Welcome Folder.

Assessments can take different forms:

- Practical
- Verbal
- Written

Assessment formats are detailed specifically in your Digital pack.

### **Formative assessment (Activities)**

Formative assessment produces evidence that is concerned with how and where improvements in learning and competency acquisition are required. It therefore contributes to the learning process. For example, feedback can be provided to learners about how they are progressing when they complete the formative assessment tasks (for example, quizzes, activities) and the trainer can use such information to identify appropriate learning intervention strategies. The candidate can also use the feedback to monitor their own learning.

### **Summative assessment (Tasks)**

Summative assessment tends to occur at the end of a unit/cluster to determine whether the candidate has satisfied the requirements specified within the learning outcomes/units of competency. It is therefore used to certify or recognise candidate achievement against the unit(s) of competency.

PLEASE NOTE: Students may ask to sit a summative assessment at any stage if they feel they are ready. This forms part of the student's assessment attempts as detailed below.

Please make sure you read your Student Assessment Guidelines and assessment task sheet before commencing your assessment so that you are clear on what the instructor will be assessing you on. Elements and critical aspects are all clearly detailed for your consideration.

Assessments will be deemed Satisfactory (S – 100/100) or Not yet Satisfactory (NYS – 0/100).

Unit outcomes will be deemed Competent (C) and Not Yet Competent (NYC).

You will not be penalised for not passing a summative assessment. If you are deemed Not Yet Satisfactory the Assessor has an obligation to give written and verbal feedback to you detailing the reason why you did not meet the assessment criteria. This feedback must be detailed on the NYS assessment sheet and submitted and kept on file.

You will be given an opportunity to practice the tasks and attempt the NYS – 0/100 assessment again. A new assessment sheet will need to be filled out for every subsequent attempt. You are permitted to attempt an assessment activity 3 times. If on the third attempt, you are still deemed NYS, you have 2 options:

1. Re-enrol in the unit
2. Receive a Statement of Attainment at the conclusion of your training

Assessors have an obligation to conduct a fair, valid, reliable and flexible assessment with all students, and provide appropriate feedback. You can 'challenge' assessments if you feel the assessment was not conducted in a fair and equitable manner.

If you struggle to meet the assessment criteria after 3 attempts the Assessor must notify management. From here a meeting will be called with the Academy co-ordinator and Operations Manager to discuss and develop a plan of action. All courses of action will be documented in the Student Management System (VETtrak).

## INTRODUCTION TO CERTIFICATE III IN BARBERING SHB30516

---

The Certificate III in Barbering involves **7 months study** (5 days a week: 2 weeks holidays). This means attending BIBA Academy on a full-time basis (During this time you must demonstrate competency in all aspects of Barbering and complete all units of the course and complete minimum **945 contact hours**).

These include:

- Professionalism
- Client relation
- Complying with organisational policies and procedures
- Event planning
- Cutting

At BIBA Academy, you will first undergo orientation and an introduction to our policies and guidelines, facilities, formats and regulations. Following this, you will be taken through the course individually and the course structure will be directed by your individual ongoing performance.

A Training Plan Outline will be established which will detail nominated completion dates for each study period and assist instructors in monitoring course progress. It is important to stress that you will complete the course with superior knowledge and competency in the trade, however, is important to realise that everyone learns differently and therefore must be taught accordingly, to maintain confidence and performance levels.

A Training Barber Shop has been established within the Academy, inviting the public to be models for you. Here, you service the models as you would in a regular shop providing barber cuts and grooming services. This method of training makes up 80% of your learning process and provides invaluable hands-on experience.

The remaining 20% of your training consists of theory/assignments and is taught via Google Classroom, lectures and live demonstration. e.g. scalp disorders. You are required to take notes and/or complete head sheets, which on completion are delivered to the administrator for assessment and evaluation. While it is important to understand the theoretical technicalities of our craft, we believe that 'by doing we are achieving'.

At the beginning of the course, we encourage you to embark on practical work as quickly as possible. You begin on mannequin heads and then progress to live models once you are assessed as competent in the following areas:

- Attitude and professional approach
- Task completion within desired time
- Accuracy in application of technique
- Confidence in application
- Knowledge and understanding of why and how each technique is used.

You will begin your practical work with Dry hair to shape which entails clean sections and assisted drying techniques. Here after the foundation cutting during which time you will be given theory and demonstrations. As you advance, the techniques intensify and therefore so do the calibre of the theory, demonstrations and standard required of you.

**Assessments** are conducted nearing the end of each Barbering unit groups. You can also ask to be assessed at any time should you wish to be challenged. You will be and can be reassessed and tested throughout the term of your course to ensure your standard of work, confidence and readiness for the work force and the industry's changing environment is maintained.

We encourage you to be completely professional whilst in the training salon and expect no less from you. Encouragement and guidance is given each step of the way and maximum flexibility and care is demonstrated by the instructors. By doing so, we can ensure that you are given every opportunity to complete the course successfully.

Our training plan and instruction is based on the individual being trained to their full potential and to our high expectations. Each area of the course is covered comprehensively so that we can fully prepare and accommodate you for the work force and your new career.

### National VET Regulator Act 2011

As a student in Australia's vocational education and training (VET) sector, you should expect high-quality training in your area of interest, leading to a qualification that improves your prospects of gaining the job you want or provides a pathway to further study.

As a Registered Training Organisation registered with the Australian Skills Quality Authority, we are required to comply with the National VET Regulator Act 2011. This involves meeting a series of Standards that ensure that the training and assessment and support services are provided to you in accordance with nationally mandated standards.

## **Student Identifiers Act 2014**

Under this Act, we are required to ensure that all students have a USI. We are unable to issue a qualification or a statement of attainment for any student if we don't have a USI on file.

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

For students and training organisations, the main benefits of the USI are:

Students will be able to get a complete record of their Australian-wide VET achievements from a single, secure and accurate online source.

There will be immediate access to VET records. This means they can be quickly given to employers, other training organisations etc as proof of VET achievements.

It will be easier for training organisations to assess students' pre-requisites, credit transfers and Recognition of Prior Learning (RPL).

For more information about the USI please refer to <http://www.usi.gov.au/About/Pages/default.aspx>

## **Privacy Policy**

In collecting your personal information Biba Academy will comply with the requirements set out in the Privacy Act 1988, the Privacy Amendment (Private Sector) Act 2001 and the relevant state privacy legislation.

This means that we will:

Inform you of the purpose for which the information is collected.

Only use the personal information that you provide to us in relation to your study with us.

Ensure your personal information is securely handled and stored.

We will inform you of any organisation and the type of organisation to which we disclose personal information e.g. the Australian Government or the National Centre for Vocational Education Research, as well as the purpose of disclosing this information e.g. for statistical purposes.

We will not disclose your personal information to another person or organisation unless:

We have made you aware that information of that kind is usually passed to that person or organisation.

You have given written consent;

We believe that the disclosure is necessary to prevent or lessen a serious and imminent threat to your life or health or that of another person;

The disclosure is required or authorised by or under law; or

The disclosure is reasonably necessary for the enforcement of the criminal law or of a law imposing a pecuniary penalty, or for the protection of the public revenue.

## **Risk management**

In Victoria, organisations are required to protect children when a risk is identified (see information about failure to protect above). In addition to general occupational health and safety risks, we proactively manage risks of abuse to our children.

We have risk management strategies in place to identify, assess, and take steps to minimise child abuse risks, which include risks posed by physical environments (for example, any doors that can lock), and online environments (for example, no staff is to have contact with a child in organisations on social media).

## **BIBA ACADEMY PROCEDURE FOR CHILD SAFETY**

---

If an allegation of abuse or a safety concern is raised please report immediately to BIBA Academy management/report to BIBA academies child safety officer (Alex Health) and complete an incident report.

## **WORKPLACE BULLYING/HARASSMENT POLICY & PROCEDURE**

---

BIBA Academy is committed to providing all people with an environment free from all forms of harassment, victimisation and bullying. Biba Academy will not tolerate any behaviour that harms, intimidates, threatens, victimises, offends, degrades or humiliates another person.

Anti-discrimination law defines harassment as any form of behaviour that you do not want, that offends, humiliates or intimidates you and that creates a hostile environment. Examples of harassment are making fun of someone, spreading rumours, offensive jokes, ignoring someone, etc.

Victimisation is where a person is treated unfairly because they have made a discrimination complaint.

Bullying is verbal, physical, social or psychological abuse by a staff member or student. Bullying falls under health and safety legislation.

If you at any time feel that you are being harassed, victimised or bullied by a staff member or student, you should follow these steps.

If you feel that you are being harassed, victimised or bullied, ideally you should tell the person that you don't like the behaviour and ask them to stop. However, if you are not comfortable doing this, you should lodge a complaint as per Biba Academy Complaints and Appeals procedure and detailed in Student Handbook.

## **SMOKING AT BIBA**

---

Smoking at Biba Academy's is not permitted, as per the Tobacco Amendment Act 2016. Please see policy located on our website [www.bibaacademy.com.au](http://www.bibaacademy.com.au). If you have any questions about our non-smoking workplace policy, please contact us on (03) 9415 8488.

## **CREDIT TRANSFER**

---

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units that you are required to complete in the course you are enrolled in with us.

BIBA Academy can grant you credit towards your course for units of competency that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit in your course, and the subject or unit you have completed.

### The steps to apply for a Credit Transfer

1. When completing the online Enrolment Forms you must show the original or hand in a certified copy of your Statement of Attainment.
2. Your application will be assessed within 5 working days.
3. All credited units will be marked in your learning resources upon commencement by administration.
4. All credit units will be recorded on the students training plan outline.

Make sure you provide the original or certified copies of a Statement of Attainment from your previous study. In some cases, we may ask for additional information about the subject or unit you previously studied so we can determine equivalence.

In some cases, Credits may lead to a reduction in the course fees as there is less work involved in offering your course. This will be advised to you in writing.

## RECOGNITION OF PRIOR LEARNING

---

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

Biba Academy has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You should ideally apply for RPL at the time of enrolment, but you may also apply up to 2 weeks into your course.

If you think RPL is a suitable option for you, the first step is to contact your trainer/assessor or our office and have a conversation about whether or not RPL might be suitable for you. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with a kit that will guide you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form. Your application will then be assessed for suitability and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Please refer to the schedule of fees on the website for the pricing for RPL <https://www.bibaacademy.com.au/policies-forms>

## NATIONAL RECOGNITION

---

BIBA Academy recognises any qualifications or Statements of Attainment from any RTO. Refer to our credit application form found on our website, <https://www.bibaacademy.com.au/policies-forms>
